### Communication Clerck of the Course n. 2

#### Penalty for exceeding speed over 30km/h

Having received a report from Race Control and GPS in which a speed of vehicle #11 was detected at 125 km/h when the maximum speed allowed at that location was 90 km/h, thus having an excess of more than 30 km/h, Art. 6 of the SPORTING REGULATIONS of the 2025 Bridgestone FIA ecoRally Cup is applied, which indicates the following:

The following penalties are automatically applied by the Clerk of the Course:

**- Exceeding the authorised speed:**

- by more than 10 kph and below 20 kph: 100 euros and + 2% on energy performance index result;
- by more than 20 kph and below 30 kph: 200 euros and + 4% on energy performance index result;
- Over 30 kph: 300 euros and + 6% on energy performance index result

Therefore, applying said article, **a penalty of 300 euros and + 6% on energy performance index result** is imposed.
