

DECISION (No 4) posted at: 20h00

From: The Stewards

Date: 14-03-2026

To: Competitor of Car #43

Time (decision): 18h30

The Stewards, having received a report from Clerk of the Course (document No 3.16) have considered the following matter, determine the following:

Driver and car No: Ricardo Lotra and Car No. 43

Session: Section 2

Fact: During the development of Section 2, crew #43, in Regularity Stage 09 did not complete 2,000kms of the route

Offence: Breach of Articles 6 of 2025 FIA Eco-Rally Cup Sport Regs

Decision: to add + 1% on energy performance index result

Reason: After considered the matter extensively, the Stewards determine that competitor has proven deviation from the itinerary as indicated in the Road Book gained 2,000 kms to the total length of the rally.

The Stewards, in accordance of what stated by article 6 (The following penalties are applied by the Stewards of the Event), decided to increase the competitor result with corresponding percentage of kilometers not covered compared to the total length the rally, applying the penalties of + 1% on energy performance index result.

The Competitor is reminded of his right to appeal in accordance with Article 15 of the FIA International Sporting Code [and Article 9.1.1 of the FIA Judicial and Disciplinary Rules].
